## St. Johann in Tirol Holiday Region

St. Johann in Tirol offers active holidaymakers a fantastic network of cycle paths and mountain biking trails to suit both the unhurried cyclist as well as the action mountain biker. Spectacular natural landscapes, idyllic villages and tranquil rest stops provide plenty of diversion along the way and opportunity to linger in the shadow of the Wilder Kaiser mountain ridge.

- Over 200 km of cycle paths and mountain biking trails
- The world's largest e-biking and e-mountain biking region with plenty of charging stations
- Gradings from easy to difficult
- High-altitude tours and bike trails
- River adventure trail along the Großache for the whole family

## Bike tours for all tastes

### The dedicated mountain biker

Gaining height, conquering bike trails, having adventures and communing with nature: The Kitzbühel Alps offer dedicated and experienced mountain bikers a varied range of exciting and challenging tours to suit all requirements and transform a holiday into an unforgettable experience.

### The pleasure-seeking biker

Soaking up the natural landscape, exploring the area on the bike, experiencing the sights and local culture, taking advantage of rest stops and photo opportunities and covering a whole load of mileage in the meantime. Various cycle paths graded easy to moderate criss-cross the region and invite you to savour the beauties of the landscape and localities.
